

ODYSSEY theatre

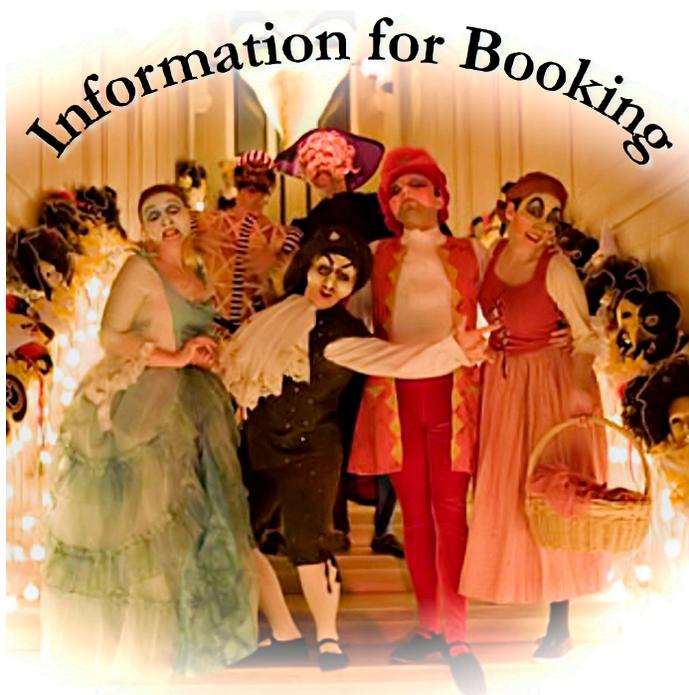

Odyssey is Ottawa's premier masked theatre. Our award-winning Theatre Under the Stars program has achieved artistic distinction and won critical acclaim. CBC Radio calls Odyssey "one of the most innovative, invigorating and consistently intelligent theatre companies in Canada."

False Confessions '99

Since 1986, Odyssey has been bringing imaginative and unique theatre to Ottawa. Mask work and the arts of the fairground - clown, bouffon, puppetry, dance and pageantry - combine to create magical worlds that have delighted audiences and inspired rave reviews.

Our renowned main stage productions in Strathcona Park are only part of Odyssey's story. We are also recognized for new play development, artist training, performance labs and workshops and many other programs that draw theatre artists from all over the world to work with us.

Personalized Performances for Your Special Occasions

FestivAsia '09

Lazzi Lazzi, formed in 1994, is Odyssey Theatre's touring ensemble. Professional actors create original shows, site specific performances and animate events in a type of Italian renaissance street theatre called Commedia dell'Arte. Incorporating masks, stylized movement and improvisation, the performance appeals to all ages.

The Art of Entertaining
Give your event the magic of *Lazzi Lazzi*! Wildly comic, sumptuously dressed Commedia characters, greeting, ushering, mingling and improvising with your guests. They will create a unique performance experience everyone will remember long after your party is over.

Lazzi Lazzi?
Lazzi Lazzi takes its name from the Italian, "lazzo" a joke or witticism. "Lazzi" in Commedia dell'Arte is an elaborate physical comedy routine. Archetypal characters are central to Commedia and their enduring popularity is reflected in the fact that some of them, the clownish Harlequin in particular, are still familiar 400 years later.
